Working of the Krishnarajasagara and Allied Works for the year 1931-32.

READ—

Letter No. 2342—K. R. S. dated 29th October 1932, from the Chief Engineer, Krishnarajasagara Works, forwarding the Administration Report of the Krishnarajasagara and Allied Works for the year 1931-32.

ORDER No. G. 4563-74—G. M. 56-32-3, DATED BANGALORE, THE 4TH JANUARY 1933.

Recorded.

2. *Krishnarajasagara Dam.*—The construction of the approach gateway at the South-end of the Dam and all the masonry works connected with the waste weir of the Dam were completed during the year and the road over the Dam was allowed for the use of the public. The waste weir consists of 136 (including 48 automatic) cast iron gates which are being supplied by the Mysore Iron Works.

3. *Irwin Canal Works.*—All the main works on the canal including construction of sluices and excavation of main distributaries were completed, both in the first section between the Dam and the Tunnel and on the Maddur Branch Works. Timely supplies from the Canal were arranged for the French-Rocks Tank in the Seringapatam Taluk under the main canal and to such of the tanks in the Mandya and Maddur

Taluks under the Maddur Branch, the owners of the lands under which agreed to pay water rate and contribution.

4. *Improvement of Towns.*—There was an appreciable progress in the shifting of the Yedatore Town during the year. The extension of the Mandya Town is reported to be making good progress.

5. *Special Measures for the Development of Cultivation.*—Several important measures such as an increase in the number of instalments for recovery of contributions, free supply of water for the first three years for raising green manure crops, etc., were sanctioned for expediting the development of irrigation in the area. The establishment of an agricultural depôt at Mandya has been sanctioned, the operations of the Land Mortgage Bank have been extended to the Mandya and Maddur Taluks and the formation of a Sericultural Farm and Grainage in the Irwin Canal Area is engaging attention. A special establishment was sanctioned during the year for conducting Health Surveys in the Irwin Canal Area. Proposals for the establishment of a Sugar Factory are under consideration. The Agricultural Farm at Ganadalu is being developed to supply seed cane for the cane growers in the locality.

6. A Committee has been appointed to examine the practical difficulties or inconveniences, if any, that may call for relief in the initial stage of adoption of the rotational system of cultivation under the canal and to suggest remedial measures.

7. *Other Irrigation Works.*—During the year under review, the extensions of Chikkadevaraysagara and Rajaparameswari Channels were under execution and water supply was arranged for in May 1932, for an extent of nearly 1,475 acres. Projects are under preparation for extension of the Madhavamanthri and Chamaraja Left Bank Channels.

8. *Land Acquisition.*—Since the beginning of the Irwin Canal Works, an extent of 1,467 acres and 18½ guntas has been permanently acquired and a sum of Rs. 1,59,298 paid as compensation till the end of the year under report. In addition to this, an extent of 68 acres and 23 guntas of land has been granted by way of land compensation. Besides this the acquisition of 250 acres of land for the Ganadalu Agricultural Farm was also undertaken during the year.

9. *Grant and Outlay.*—The total outlay on the Krishnarajasagara and Allied Works during the year amounted to Rs. 25,11,837 against the final grant of Rs. 24,89,405.

10. *General.*—Rajasevasakta Diwan Bahadur Mr. K. R. Seshachar was in administrative charge of the Department till 1st November 1931, when he retired from service and Mr. S. Srinivasa Aiyar, Superintending Engineer, Krishnarajasagara Circle, was appointed Officiating Chief Engineer and Secretary to Government, Krishnarajasagara Works.

Tutorial appointments in the Village Panchayet Schools.

READ—

Letter No. 329—C. R. B. 23-31-1, dated 13th July 1931, from the Secretary, Central Recruitment Board to the District Educational Officer, Kolar, stating that as the Village Panchayet Schools are quasi-official institutions and not exactly like private aided schools, the Central Recruitment Board Rules should be made applicable to them.

2. Correspondence ending with letter No. 6644—287 of 31-32, dated 10th May 1932, from the District Educational Officer, Kolar, intimating that the sanction of Government has been separately sought for through the Director of Public Instruction in the matter of filling the vacancies in Panchayet Schools by the Panchayets themselves.

ORDER No. 4087-98—C. R. B. 18-32-3, DATED BANGALORE, THE 3RD JANUARY 1933.

Government are pleased to direct that the tutorial appointments in the Village Panchayet Schools in Mysore be exempted from the operation of the recruitment rules.

These posts may be filled up by the Village Panchayets themselves, subject to the condition that the requirements of the Education Department in respect of the qualifications, etc., of the teachers are satisfied.
